

NEW! 3-Disc Accreditation Assistant For Ambulatory Facilities

Here's what is included in this new 3-disc package for the busy medical practice:

1 First, the video, "Preparing for Accreditation" is a step by step guided tour through the accreditation program from start to finish.

2 Next, "Essential Documents and Resources for AAAASF Accreditation" on CD is your "consultant on a disc." With the complete Policy & Procedure Manual provided in a Word document, this user-ready segment can be customized to the specifications of your ambulatory facility.

3 Finally, the video, "Inspector Training Overview" takes you through the inspection process including how the inspector will conduct the inspection survey.
