REQUEST TO ADD PHYSICIAN

Each physician, P.A., certified nurse mid-wives, and nurse practitioners using the facility must be credentialed and qualified for the medical care they provide.

In order to add a provider to staff the facility medical director and the new provider must sign this request as well as include the following credentials:

- Copy of current State Medical License
- Authorization to Release Form Signed (See Below)

Note: Please include the hours in which the added clinician will be working: _____

I authorize and request that the provider listed below be added to facility ID # _____

New Provider Name: _____

Facility Director Signature: _____

Printed Name: _____

AUTHORIZATION TO RELEASE INFORMATION

In furtherance of my facility's application for accreditation and continued accreditation by the American Association for Accreditation of Ambulatory Surgery Facilities, Inc., I hereby request and authorize any hospital, any medical staff or any other medical organization with which I am now or have been affiliated to provide information concerning my current or former status with such organization(s). I hereby release from liability any hospital, medical staff or other medical organization for acts performed in connection with the collection of evaluation and submission of such information concerning my status to the American Association for Accreditation of Ambulatory Surgery Facilities, Inc.
